FROM THE DIRECTOR.....

I would like to give you some insight on the 2nd summer of SYA Little League Camps. **MVP BASEBALL** is confident that this will be the ultimate Little League Baseball Camp offered in the Northern VA area this year.

The coaching staff will consist of some of the top high school coaches in Northern VA. In addition, many of the camp counselors will be current high school and college standouts from the area.

Session I is a T-ball/Coach pitch camp. This camp is for ages 5 thru 7 and has a limited enrollment due to the age of the campers. If you have a 4 year old that you think is ready for this camp, please contact the Camp Director.

Sessions II and III is for ages 6 thru 12 and is for all talent levels from beginners to very experienced players. Both fields will be used and the players will be broken down by age and talent level. Certificate of Participation and awards will be given out daily.

My goals for these camps are to improve each camper in Little League skills; daily fielding and hitting drills, pitching and catching fundamentals, daily game situation, and most importantly a great deal of fun for the entire week. The camps will allow us to share our knowledge of the game with the youth of SYA. I look forward to making this a wonderful experience for everyone involved.

I'll see you at the park!!
